Press release

Change in GDL management

GDL Transport Holding AB (a DSV Miljø Group A/S subsidiary) has initiated a process of developing a new strategy plan for GDL for the next 3 – 4 year period.

In connection with this process, the CEO Henrik Holm, has decided to retire from his daily responsibility and will go forward support GDL as member of the Board of Directors of the company.

A process has been initiated to identify a new CEO of GDL, until then former member of GDL's Board of Directors, Johan Röhss, will act as Interim CEO.
